Let's
Grow Together

ABOUT E-COMMERCE APP

Our android and iOS app is built on WooCommerce REST Api & is successfully sold to more than 125 clients through our 25 partners.
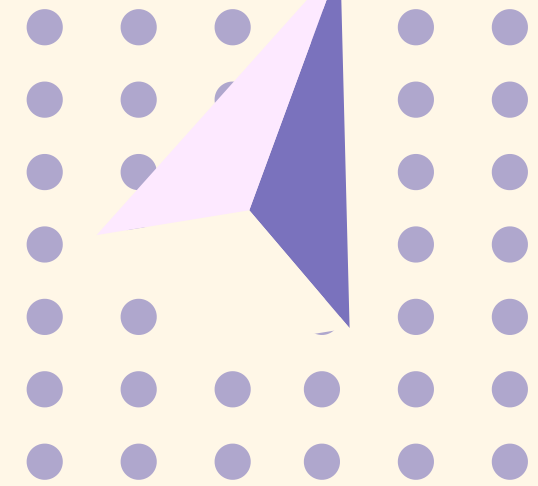

ATTRACTIVE UI

UI is everything and we understand that hence we work closely with our client to make sure they get the perfect UI.

EASY TO USE FOR BUYERS

The e-commerce app is easy to use for buyers so that they can make purchases easily.

EASY BACKEND PRODUCT MANAGEMENT

Admins can add and remove products, maintain stocks, coupons and lots more.

SUPERFAST FAST PERFORMANCE

Hosted on Digitalocean server the app's performance is superfast.
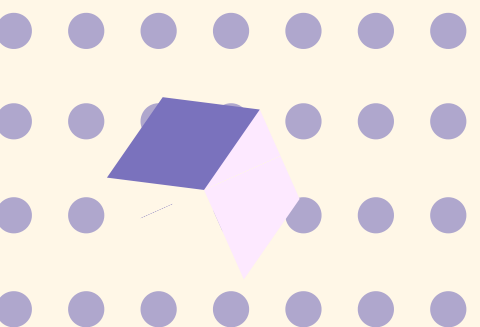

125+ SALES

25+ PARTNERS ACROSS UP, MP, RAJASTHAN, HARYANA AND NAGALAND

How We Work?

PAY US A FLAT AMOUNT AND SELL IT AT
ANY PRICE YOU WANT

Our reselling model is simple. You give us a flat amount, we deliver the app, launch it on play store, guide your team on how to manage it.

You sell it at whatever price you want using your label. Its all between you and your client.

Terms & Conditions

SIMPLE TERMS AND CONDITIONS
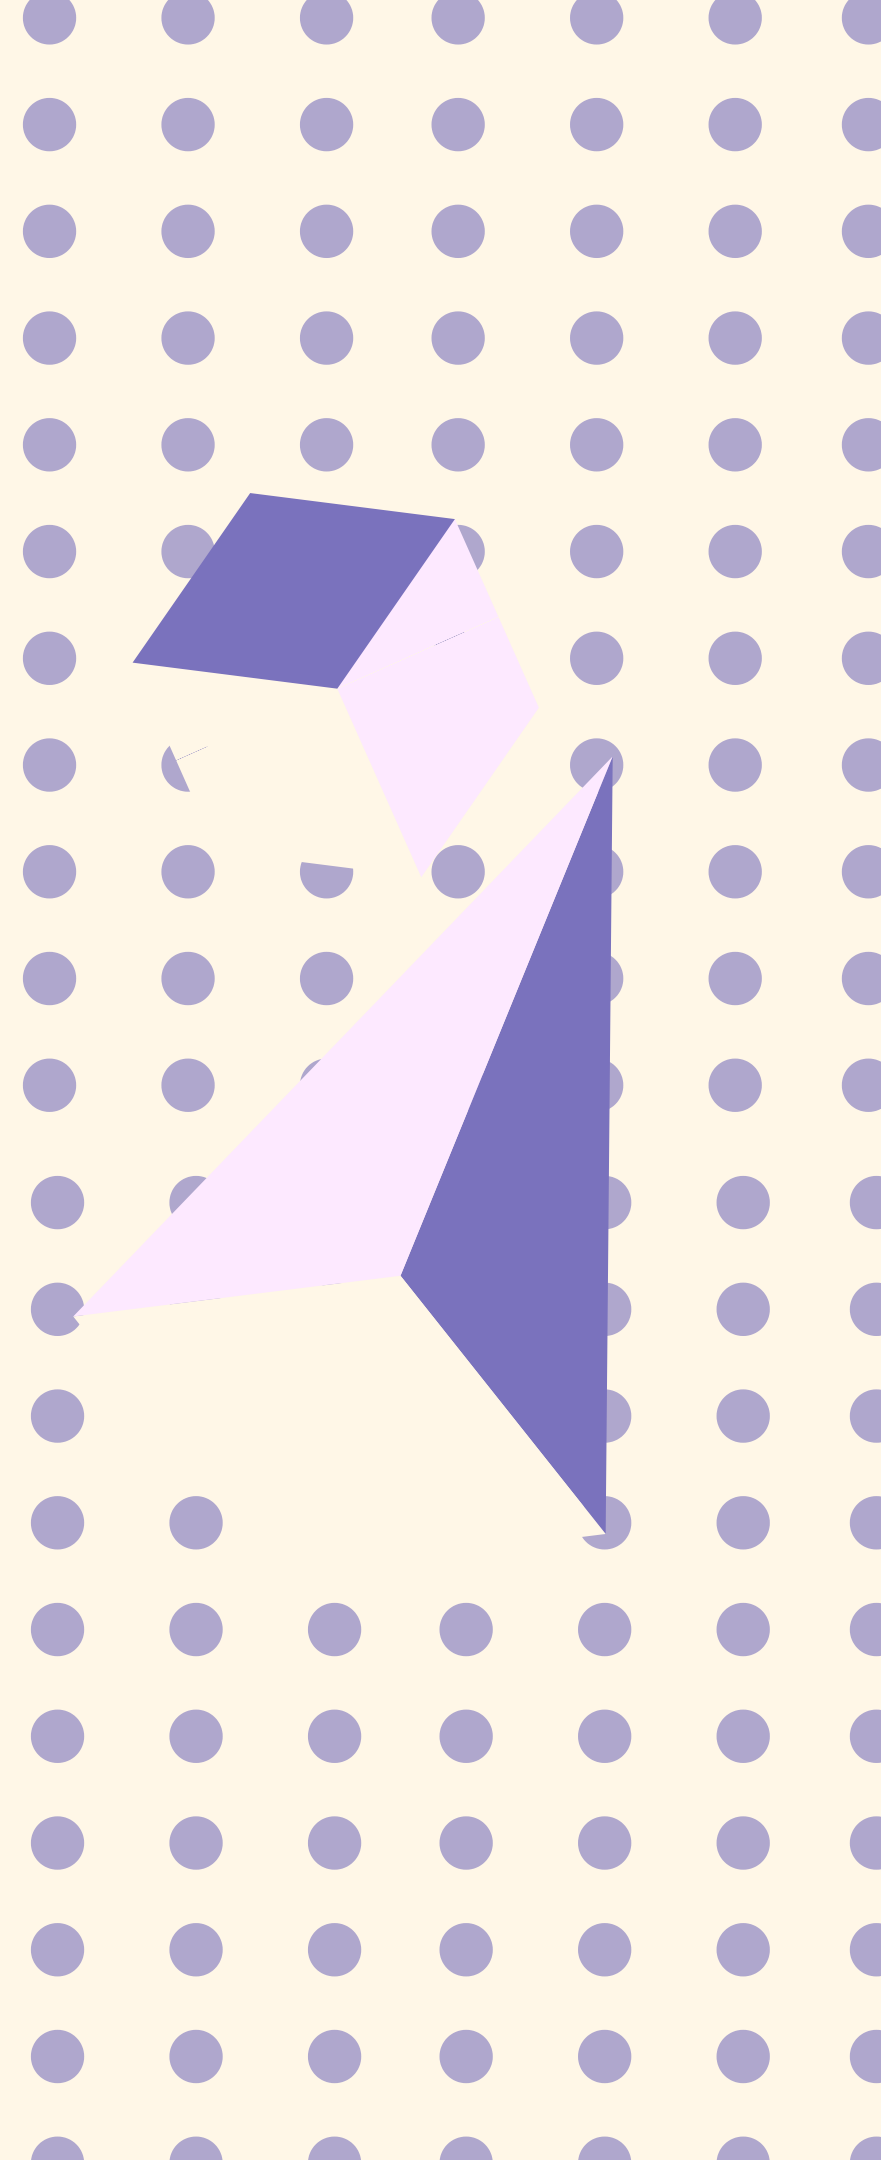

YOU PLACE ORDER WITH ADVANCE AMOUNT

You place your order with all requirements in email with an advance amount.

WE DELIVER ORDER AS PER OUR AGREEMENT

We deliver the service/product as ordered.

YOU PAY THE REMINING AMOUNT

Once we make the app live on play store, you pay the remaining amount.

# Other Products

WIDE RANGE OF PRODUCTS YOU CAN SELL

STUDENT MANAGEMENT SYSTEM

For school, colleges and coaching institutes to manage student data, perform fee submission, print fee slips, upload documents, view daily cash report, generate exam report card, enter attendance, send sms notifications, enter expense etc in just few clicks.

LIBRARY MANAGEMENT SYSTEM

As per recent AICTE circular, colleges are required to have a Library Management System for easily managing stock of books and perform book allotment to students in an easy, hassle-fee manner.

GRIEVANCE REDRESSAL SYSTEM

Grievance Redressal System or GRS is an online system that allows Student, Employee and Parent to send their Grievances directly to College Administration and get it redressed online in an easy, hassle-fee manner.

## APP DEVELOPMENT

Android and iOS apps
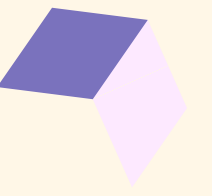

ADDITIONAL BENEFITS

Our resellers are our friends with whom we grow together.

Since you help us in our business, we reward you with exciting bonuses when you achieve targets very fast, or double or triple the expected business in a season.
