ABOUT THE ERP

Cyberpassion provides Student Management ERP for school, colleges and coaching institutes to manage student data, perform fee submission, print fee slips, upload documents, view daily cash report, generate exam report card, enter attendance, send sms notifications, enter expense and many more stuff in just few clicks.

Our Student Management System is currently running in over 100 schools and colleges in Uttar Pradesh, Madhya Pradesh and Rajasthan.

Apart from this we offer Library Management Software, Grievance Redressal Software, 10 paise SMS, website, biometric solutions and more.

EARN

25% TO 50% ON EVERY SALE

RESELLER PLANS:

1. Commitment of more than 5 sale every month and get a flat 40% on every order.
2. No Commitment. You earn between 25%-30% on every sale.
